Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications at 18 months from the date of receipt of the application. The USPTO will delay the publication of an application if it is determined that the application is a defense against 35 USC 181 and no earlier than 6 months from the filing date or 90 days from the date of referral to the agency. This application will be delayed for publication 6 months from the filing date or 90 days from the above date, whichever is later, unless a response is provided to the USPTO regarding the secrecy recommendation as to the imposition of a secrecy order.
